*With a nominal response of 500kg DM/ha this equates to a cost of 8c per kg DM/ha grown.

Your delivery made easy

We will deliver the specific amount of Liquid Nitrogen for you to complete the job so no inventory required to be stored on farm. Deliveries in Canterbury are free of charge. For other South Island locations, fees apply.

Talk to one of our agronomists today about the benefits.

All prices are subject to stock availability and valid for orders placed before 30 September 2023.
